FOREWORD by ...

Mr. James Railston

President Barnsley T.T.L.

Vice-President Yorkshire T.T.A.

As President of the Barnsley Table Tennis League, it is my great pleasure to extend cordial greetings to all members of the League, and especially to welcome new Clubs, teams and members.

This season there are ten new clubs and it is a matter of personal satisfaction that the Barnsley Table Tennis League is strengthening its position year by year. Thirty-three clubs have entered eighty teams for the 1950-51 season and the League comprises seven divisions, one of which is a Ladies' Division. It is an acknowledged fact, that, taking into account the population of Barnsley and District, we have one of the largest Leagues in the country.

Apart from the general League programme, the League includes among its activities, the Barnsley Closed Championships, a Team Knock-Out Competition, the coaching and encouragement of young players, and participation in all sections of the Yorkshire Inter-League Championships.

I would like to express the hope that all members will give the League their full support and have a very enjoyable and successful season.

SHORT HISTORY OF THE BARNSELY TABLE TENNIS LEAGUE

In 1933 organised table tennis began in the district, with the formation of the Barnsley and Wombwell Table Tennis League. Two years later, the Wombwell teams broke away to form their own league, leaving the Barnsley clubs to re-form under the present name.

A glance at the records for those early days reveals one or two names that still occupy a prominent position in the game, such as Frank Walker who has been our Secretary since 1935, and Arthur Walker, our present Chairman, who was a member of the Y.M.C.A. team in 1933. Y.M.C.A. is the only club from the 1933 days still in existence, though Barnsley Boys' Club and Barnsley North End were both founded in 1934.

1936 saw the end of the Wombwell League and several of their clubs joined the Barnsley League which was then extended to two divisions. A year later there were three men's divisions, and for the first time, one Ladies' division. The Barnsley Ladies' teams of 1938-39 and 1939-40 brought honour to the League by winning the Yorkshire Inter-League Championships both seasons.

Naturally the war affected the game in Barnsley, and there was only limited activity and no league competition between 1940 and 1945. The League was revived in season 1945-46 however, and since then has developed rapidly, so much so, that this season will see 80 teams playing in seven divisions.

The Barnsley Championships were first contested in 1936 with Men's Singles the only event—last season there were 7 events consisting of Men's, Ladies', Youths' and Grade "B" Singles, and Men's, Ladies' and Mixed Doubles. The number of entries for these Championships increases year by year, thereby proving their great popularity.

No history of the Barnsley Table Tennis League would be complete without paying tribute to its two Presidents. The first was the late Mr. T. D. Cook who rendered invaluable assistance in the early struggles of the League and was responsible for the inauguration of the Closed Championships. In 1945, Mr. J. Railston became President and soon proved himself a worthy successor. It is largely due to his wholehearted co-operation and generosity that the League is in such a sound financial position today.

The object of the rule is to place responsibility on the server of proving that he is not using finger spin in service; in other words that any spin on his service comes from his racket.

The only way to prove this is to observe the rule in all particulars:—

Hand open. Thumb free.

Hand flat. Ball resting on palm.

Fingers straight. Ball not cupped or pinched by the fingers.

Fingers together. Ball released by raising the hand.
