Foreword by

Mr. James Railston

President, Barnsley T.T.L.

Vice-President, Yorkshire T.T.A.

Once again it gives me great pleasure to extend cordial greetings to all members of our League, and especially to welcome new clubs, teams and members.

Following last season's success, this season promises to be even more successful with thirty-seven clubs entering eighty-six teams in the various divisions of the League which, this season, comprises eight divisions, one of which is a Ladies' Division.

This is the highest number of divisions in the history of the League and it is a matter of personal satisfaction that the Barnsley Table Tennis League is able to strengthen its position each year, thereby maintaining the acknowledged fact that, taking into account the population of Barnsley and District, we have one of the largest leagues in the country.

Apart from the general league programme, the League includes amongst its activities the Barnsley 'Closed' Championships, a team knock-out competition, the coaching and encouragement of young players, the arrangement of an Exhibition by International Players, and participation in all sections of the Yorkshire Inter-League Championships.

It will readily be seen, therefore, that this season's programme will be a heavy one, and I would like to express the hope that all members will give the League their full support and enjoy a very successful season.

"The small saving of a shilling per week will in seven years make £20, and this in hand will command many comforts—it will buy a cow—furnish a cottage—apprentice a son, and by commencing such a prudent plan in early life and persevering in it, the young man may prepare more ample funds for marriage, for the education of his children and for the necessities of old age."

good.

BARNLEY TABLE TENNIS LEAGUE

In 1933 organised table tennis began in the district, with the formation of the Barnsley and Wombwell Table Tennis League. Two years later, the Wombwell teams broke away to form their own league, leaving the Barnsley clubs to re-form under the present name.

A glance at the records for those early days reveals one or two names that still occupy a prominent position in the game, such as Frank Walker who has been our Secretary since 1935, and Arthur Walker, who was a member of the Y.M.C.A. team in 1933. Y.M.C.A. is the only club from the 1933 days still in existence, though Barnsley Boys' Club and Barnsley North End were both founded in 1934.

1936 saw the end of the Wombwell League and several of their clubs joined the Barnsley League which was then extended to two divisions. A year later there were three men's divisions, and for the first time, one Ladies' division. The Barnsley Ladies' teams of 1938-39 and 1939-40 brought honour to the League by winning the Yorkshire Inter-League Championships both seasons.

Naturally the war affected the game in Barnsley, and there was only limited activity and no league competition between 1940 and 1945. The League was revived in season 1945-46 however, and since then has developed rapidly, so much so, that this season will see 86 teams playing in eight divisions.

The Barnsley Championships were first contested in 1936 with Men's Singles the only event—last season there were 8 events consisting of Men's, Ladies, Youths', Grade "B" and Grade "C" Singles, and Men's, Ladies' and Mixed Doubles. The number of entries for these Championships increases year by year, thereby proving their great popularity.

No history of the Barnsley Table Tennis League would be complete without paying tribute to its two Presidents. The first was the late Mr. T. D. Cook who rendered invaluable assistance in the early struggles of the League and was responsible for the inauguration of the Closed Championships. In 1945, Mr. J. Railston became President and soon proved himself a worthy successor. It is largely due to his wholehearted co-operation and generosity that the League is in such a sound financial position today.

The Flat Hand Service Rule

In the delivery of the service the free hand of any two handed player shall be open flat and horizontally, with the fingers straight and together, thumb free, and the ball resting on the palm without being cupped or pinched in any way by the fingers. The ball shall be released by the free hand lifting vertically upwards.

The object of the rule is to place responsibility on the server of proving that he is not using finger spin in service; in other words that any spin on his service comes from his racket.

The only way to prove this is to observe the rule in all particulars:—

Hand open. Thumb free.

Hand flat. Ball resting on palm.

Fingers straight. Ball not cupped or pinched by the fingers.

Fingers together. Ball released by raising the hand vertically.

PLAYERS! Learn this rule and observe it.

UMPIRES! See that players observe the rule
