TWENTY-ONE YEARS

The year 1933 was an eventful one in Barnsley—it saw the start of organised table tennis, with the formation of the Barnsley and Wombwell League, and a glance at the records for those early days reveals one or two names that still occupy a prominent position in the league today. Names such as Frank Walker, a stalwart from the beginning, and our Secretary since 1935, and Alan Cook, our present Chairman, who in 1933 was a member of Beechfield T.T.C., the first league winners.

The only club still in existence from 1933 days is the Y.M.C.A., though Barnsley Boys Club and Barnsley North End were both founded in 1934.

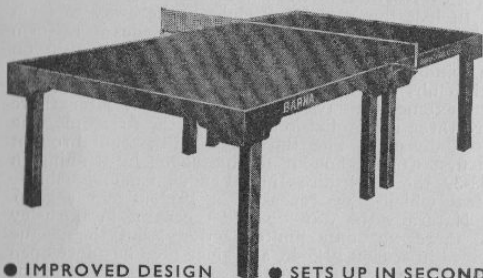

In 1935 the Wombwell clubs broke away to form their own league, leaving the Barnsley ones to re-form under the present name, and a year later, in 1936, on the winding-up of the Wombwell league several of their clubs rejoined the Barnsley league, which was then extended to two divisions. A year later there were three men's divisions and, for the first time, one ladies' division. The Barnsley Ladies team brought the first County honour to the league by winning in 1938-39 the Yorkshire Inter-League Championship—a feat which they repeated in 1939-40 and 1945-46.

Naturally the war affected the game in Barnsley and there was only limited activity, but the league revived in season 1945-46, and since then has developed rapidly, so much so, that this season will see 94 teams competing in eight divisions.

One of the highlights of each season is the Closed Championships, which were inaugurated in 1936 by the first of our two Presidents, the late Mr. T. D. Cook, who rendered invaluable assistance during the early struggles of the League. In that year the Men's Singles was the sole event, whereas last season there were 9 events, and the number of entries increases year by year. In 1945, Mr. J. Railston became President, and no worthier successor could have been found; it is to a great extent due to his wholehearted co-operation and generosity that the League is in such a sound financial position today.

The Barnsley League continues to gain prestige in Yorkshire—several of its players have recently gained County recognition—and now in our twenty-first year we may look forward to our best-ever season, for the building has been done on good foundations, and should inevitably lead Barnsley to the position of foremost league in Yorkshire.
